13,00% vol.

TOT ACIDITY

4,60 g/l

SUGAR

0,1 g/l

SERVING TEMPERATURE

16 - 18 °C

HARVEST PERIOD

September

SENSORIAL CHARACTERISTIC

A wine with a typical light red color, with a fragrance characteristic of this grapes variety, with hints of underbrush fruits, especially of blackberry and vanilla. The taste is soft, inviting with a fine and persistent aftertaste.

FOOD PAIRING

This wine is perfect for first and second courses based on white meat or vegetables, also for soft paste cheeses.
